## HERE REVEALED THE NEW PAOUL DAILY COLLECTION!

The big day has arrived: today we officially revealed to public the new Daily collection!

Realised to accompany the Woman in every instant of her life, the models of the collection aim for **telling the uniqueness of the feminine figure** and to convey her personality to who surrounds her. The **unmistakable dna of the dance shoe** reveals itself through a refined design and guarantees to these little works of artisanal art an incomparable comfort, to wear every day. More than 50 years at the service of the best dancers in the world, from tomorrow on at the feet of all those women who don't want to give up to the elegance of a Made in Italy product.

We wait for you **in our Padua store** in Via Turazza, 1 to discover together all the collection models or in our [online shop](#)!
