CHRISTMAS HOLIDAYS

It will be a different Christmas, but not without affection. Under the tree we find the awareness of the preciousness of every shared moment. More than ever.

We want to imagine you with the excited smile of who lives that special instant or waits for it with the longing heart of a lover. An explosion of harmony and burning enthusiasm.

And we too, we want to join you in the celebration of the importance of human relationships, wishing you and your beloved ones the best.

Merry Christmas from the Paoul family from the bottom of our hearts!

We use this occasion to remind you that the store of Padua will be closed from December 24th to 28th and from December 31st to January 6th 2021 while the company will not be working from December 24th to 27th and from December 31st 2020 to January 6th 2021. Happy holidays!
